We have a Facebook page titled Presbyterian Village of Westland!

You can see our monthly newsletters, monthly calendars, weekly updates, flyers, and photos from the many activities at the village on the Facebook page! This is also a great way to let your family and friends know what is going on at the Village!
This month we have a special guest columnist, Caitlin Hempton. Caitlin is a student at Oakland University in their Wellness, Health Promotion, & Injury Prevention program who is interning with PVM.

Fall is in the Air

As the weather starts to change we are reminded that fall is in the air. To some, fall reminds us of crisp cool air, warm delicious drinks and the color change. To others the word fall might mean something entirely different. According to the National Council on Aging (NCOA), every 11 seconds an older adult is seen in an emergency department for a fall-related injury. As we begin to age a fear of falling can become a part of our everyday lives, dictating the things we do and places we go. Luckily there are easy ways to manage your risk for falling!

The NCOA has six tips to help reduce your risk for falling:

- Find a good balance and exercise program
- Ask your health care provider for an assessment of your risk of falling
- Regularly review your medications with your doctor or pharmacist to make sure the side effects aren’t increasing your risk of falling
- Get your vision and hearing checked annually and update your eye glasses
- Keep your home safe by removing tripping hazards, increasing lighting and installing grab bars in key areas
- Enlist the support of your family members and PVM staff in taking simple steps to stay safe

By implementing some or all of these tips you can help reduce your risk of falling. Instead of worrying about A fall, you can instead enjoy THE fall!

More information on how to reduce your risk of falling is available on the NCOA website:  https://www.ncoa.org/healthy-aging/falls-prevention/
Goodbye Summer; Hello Fall!

Seeds sewn years before are bearing fruit.

Almost nothing is more satisfying than seeing hard work and preparation pay off. This time of year in Michigan, we get to see (and enjoy) the hard work and prep of farmers—it’s cider mill season!

The harvest season has long been celebrated. It’s when the planting, the tending, the chasing off of deer 😊... become so very worth it.

The season is also a great metaphor for a planned gift, such as a gift in your will. Just like a farmer, you can choose the seed you sew and know that it will grow into beautiful fruit.

By doing the hard work now—speaking to your loved ones about your wishes, drawing up the papers, thinking about what comes next after your death—you can create a bountiful harvest which will survive long into the next “season.”

Learn how you can leave a gift in your will and start planning at MyLegacy.pvmf.org. If you have any questions or comments, please contact us at 248-281-2040 or pvmfoundation@pvm.org.

Thank you!

Paul J. Miller, CFRE

Come learn about this new Wellness Program at the Village that addresses falls and promotes safety and health in your home.

Snacks will be provided.
It is time for our annual flu shot clinic.

Friday September 22nd from 9am-1pm, VNA Wellness will be on site in the private dining room to provide flu shots for residents and staff. VNA accepts most insurances.

Sign up sheets will be available in September in the mail room.

Why are flu shots important for older adults?

As you age, your immune system weakens. This weakening makes seniors—adults 65 years and older—more susceptible to the flu. For seniors, the seasonal flu can be very serious, even deadly. Ninety percent of flu-related deaths and more than half of flu-related hospitalizations occur in people age 65 and older.

Any questions, please call the social worker, Kara Otto at extension 28810

September Facts

The 9th month of the year brings us Labor Day, and the start of the Fall season.

In the Georgian calendar, the calendar that most of the world uses, September is the ninth month of the year. However, it used to be the seventh month on the Roman calendar. It had 29 and 31 days but it later was changed to 30 days by Emperor Augustus. In Southern United States, it is the warmest months of the year and very cool nights for Northern states. It is the harvest time for crops and that is why Switzerland calls September the harvest month. In the Northern hemisphere, beginning of September leads to the beginning of meteorological autumn while it is the beginning of the meteorological spring in southern hemisphere.

Below are some fun facts about September:
1. The birthstone for September is the sapphire.
2. The zodiac signs for September are Virgo (August 23 - September 22) and Libra (September 23 - October 22)
3. The birth flower for September is the morning glory.
4. On September 1, 1905, Alberta and Saskatchewan were established.
5. On September 1, 1939, World War II began in Europe because the German troops invaded Poland.
6. On September 2, 1789, the United States Department of Treasury was established.
7. On September 3, 1783, the Revolutionary War in America ended after Great Britain signed the Treaty of Paris.
8. On September 6, 1901, William McKinley, the 25th President of the United States, was assassinated.
9. On September 8, 1565, the first permanent white settlement was founded in St.Augustine, Florida.
10. On September 10, 1846, Elias Howe patented his sewing machine.
11. On September 14, 1847, United States forces took control of Mexico City.
12. On September 14, 1940, the Selective Service Act was passed by Congress which provided the first peacetime draft in the United States history.
13. National Chicken Month
14. National Rice Month
15. National Potato Month
16. National All-American Breakfast Month
17. Labor Day - first Monday of September
18. September 8 - Pardon Day
19. September 13 - Uncle Sam Day (his image was first used in 1813)
