Be Thankful

Be thankful that you don't already have everything you desire, If you did, what would there be to look forward to?

Be thankful when you don't know something For it gives you the opportunity to learn.

Be thankful for the difficult times. During those times you grow.

Be thankful for your limitations Because they give you opportunities for improvement.

Be thankful for each new challenge Because it will build your strength and character.

Be thankful for your mistakes They will teach you valuable lessons.

Be thankful when you're tired and weary Because it means you've made a difference. By Tom Wyllie, Director of Wellness

"Managing Pain"

Has the presence of persistent pain kept you from doing things you enjoy? Has it caused you difficulty sleeping? Has it caused you to withdraw from family and friends? Are you less active then you were before? If so, you're not alone. These are common occurrences among the estimated 50 million Americans who suffer from chronic pain.

Contrary to what many believe, chronic pain is not just "all in your head". There are physical reasons for it. It is also not an inevitable part of aging. You don't have to "grin and bear it". In fact, doing so could be harmful. Left unmanaged pain weakens the immune system, increases anxiety and depression, impairs cognition, and substantially reduces quality of life.

Though chronic pain by definition is not curable, there are many treatment options available that can help you better manage your pain and reduce the negative effects it has on your life. Along with various medications, they include relaxation techniques, pacing strategies, and regular exercise.

Because pain is a complex, subjective experience, there is no "one size fits all" solution. Your experience with pain is unique to you. According to the American Chronic Pain Association (ACPA), the most important thing you can do is to be active in your own care. Effectively managing pain requires a strong collaborative relationship between you, your doctor and the rest of your healthcare team. The more active you are, the better your long-term results will be. For tips, visit the ACPA's website at http://theacpa.org.

Practice Mindful Eating

With the beginning of the New Year it is fun to bring new healthy habits into your lifestyle! Eating mindfully is a great way to enjoy your food while also experiencing the wonderful health benefits that it has to offer. Mindful eating can help you look and feel better, lose weight, improve your digestion, and appreciate even the smallest meal.

Here are some ways that you can practice mindful eating today:

- **1. Eat** *before* **your belly growls:** You can maintain healthy blood sugar levels by eating every 3 to 4 hours.
- **2. Avoid distractions:** Set aside your phone, turn off the T.V. or computer. Don't let distractions disturb *your* mealtime.
- **3. Take five:** Take five breaths before you begin eating. This will help calm your mind and body.
- **4. Tune into your body:** Notice how hungry you are. Are you bored, stressed out, satisfied, full, or empty?
- **5. Be observant:** Observe the full spectrum of colors, aromas, tastes, textures, and temperatures of your food.
- **6. Offer gratitude before your meal:** Thank whoever or whatever played a role in the creation of your meal.

TOP 10 TO REMEMBER

- 1) FOBS Are For Residents Only
- 2) Do Not Open the Door/Allow Strangers Into the Building
- 3) Wear Your Life Line Pendent & Keep Your Cell Phone With You
- 4) NO SMOKING, No Incense & No Candles in Apartments

Support Village Residents in Need

PVM Foundation Raises Most in Its History to Benefit Seniors

I am proud to share that in 2014, the PVM Foundation raised **over \$7.4 million** to benefit Michigan seniors, the most ever raised in a single year in its history! This milestone could only be achieved through the support of many generous donors like you.

The \$7.4 million raised includes a \$5 million gift from the **Edward N. and Della L. Thome Foundation**, **Bank of America**, **N.A.**, **Trustee** to name and complete the expansion of the Rivertown Neighborhood. The *Edward N. and Della L. Thome Rivertown Neighborhood* in Detroit is an innovative senior living community that delivers a full range of health and wellness services as well as affordable housing options for low-income seniors on one campus. The grant is the largest, single philanthropic gift received in the nearly 70-year history of PVM.

A large portion of the funds raised will also support two other major, transformative projects:

- The Health & Wellness Center at The Village of East Harbor, which will expand and combine the current rehabilitation room and wellness center into an 11,000 square foot state-of-the art facility with the ultimate goal of reinventing healthy living.
- The Village of Hillside/Friendship Center Renewal Campaign, a project to rebuild and modernize the oldest buildings on the campus as well as to enlarge the community's senior center to serve more local seniors and keep local seniors living in the Harbor Springs area.

The remaining funds will support other, much-needed projects and programs across all the Villages including transportation, upgraded security cameras, landscaping enhancements, technology upgrades, patio furniture, fitness equipment, resident activities and more!

Thank you making 2014 a resounding success and I look forward to what 2015 will bring to the residents and seniors we serve. If you have any questions or comments, please contact us at 248-281-2040 or pvmfoundation@pvm.org. Best wishes for a happy New Year filled with good health. peace and iov!

Resident's Celebrating during the Holiday Season

GOOD NEWS FOR THE NEW YEAR

CONVERSATIONS TAKE US WHERE WE NEED TO GO

Throughout our lives conversations with trusted advisors have shaped our decisions and outcomes. Over the holidays we often have more time to engage in thoughtful discussions. Beyond the scope of who is doing the daycare pickup or what recipes will be a part of the tradition. Thus, many of us may have had conversations about the challenges of our health issues, whether for ourselves or a loved one. So I decided to refer to some basic principles from my book, Caregiver Tsunami. They cannot magically remove all challenges; but they can help us to deal with our situation more effectively and provide comfort and advice. Hope that you find them to be helpful:

TAKE DECISIVE ACTION - Don't wait until a loved one falls or is in dire straits. Act now!

BE VIGILANT - Watch out for worsening conditions or a domino effect with symptoms.

HOLD PEOPLE ACCOUNTABLE - Track practices and procedures of medical and other personnel.

MANAGE FAMILY RELATIONSHIPS – This is no time for sibling rivalry. Work together.

PRACTICE STRESS MANAGEMENT - Take care of you! Yoga and relaxation techniques can help.

CALL IN THE PROFESSIONALS – PVM staff, Area Agencies on Aging, Seniors Centers and other Professionals can provide resource information to assist.

REMINDERS:

MAINTENANCE PROCEDURES: PLEASE REMEMBER THAT ALL WORK REQUESTS/WORK ORDERS MUST BE PLACED WITH THE MANAGEMENT OFFICE. PLEASE DO NOT STOP MR. BULLOCK IN THE HALLWAYS REGARDING ANY WORK THAT NEEDS TO BE DONE IN YOUR APARTMENT.

PLEASE REMEMBER TO HAVE YOUR GUEST/FAMILY AND/OR DOCTORS SIGN IN AND OUT ON THE VISITORS LOG SHEET. IT IS IN THE BEST INTEREST OF ALL OF US THAT WE KNOW WHO IS IN OUR BUILDING.

THANK YOU FOR YOUR COOPERATION - MANAGEMENT

Happy Birthday Wishes

Tips for Senior's Preparing their Taxes

Current research indicates that individuals are likely to make errors when preparing their tax returns. The following tax tips were developed to help you avoid some of the common errors dealing with the standard deduction for seniors, the taxable amount of Social Security benefits, and the Credit for the Elderly and Disabled. In addition, you'll find links below to helpful publications as well as information on how to obtain free tax assistance.

<u>Standard Deduction for Seniors</u> - If you do not itemize your deductions, you can get a *higher* standard deduction amount if you and/or your spouse are 65 years old or older. You can get an even higher standard deduction amount if either you or your spouse is blind. (See Form 1040 and Form 1040A instructions.)

<u>Taxable Amount of Social Security Benefits</u> -When preparing your return, be especially careful when you calculate the *taxable amount* of your Social Security. Use the Social Security benefits worksheet found in the instructions for IRS Form 1040 and Form 1040A, and then <u>double-check</u> it before you fill out your tax return. See <u>Publication 915</u>, *Social Security and Equivalent Railroad Retirement Benefits*.

<u>Credit for the Elderly or Disabled</u> - You must file using Form 1040 or Form 1040A to receive the Credit for the Elderly or Disabled. You cannot get the Credit for the Elderly or Disabled if you file using Form 1040EZ. Be sure to apply for the Credit if you qualify; please read below for details.

Who Can Take the Credit: The Credit is based on your age, filing status and income. You may be able to take the Credit if:

Age: You and/or your spouse are either 65 years or older; or under age 65 years old and are permanently and totally disabled.

AND

Filing Status: Your income on Form 1040 line 38 is <u>less</u> than \$17,500, \$20,000 (married filing jointly and only one spouse qualifies), \$25,000 (married filing jointly and both qualify), or \$12,500 (married filing separately and lived apart from your spouse for the entire year).

And, the non-taxable part of your Social Security or other nontaxable pensions, annuities or disability income is <u>less</u> than \$5,000 (single, head of household, or qualifying widow/er with dependent child); \$5,000 (married filing jointly and only one spouse qualifies); \$7,500 (married filing jointly and both qualify); or \$3,750 (married filing separately and lived apart from your spouse the entire year).

Calculating the Credit: Use <u>Schedule R</u> (Form 1040 or 1040A), *Credit for the Elderly or Disabled*, to figure the amount of the credit. See the <u>instructions for Schedule R</u> (Forms 1040 or 1040A) if you want the IRS to figure this credit for you.

Also see Publications 524 (Credit for the Elderly or Disabled); and 554 (Tax Guide for Seniors).

<u>Free IRS Tax Return Preparation</u> - IRS-sponsored <u>volunteer tax assistance programs</u> offer free tax help to seniors and to lowto moderate-income people who cannot prepare their own tax returns.
