

FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

I hope you had an opportunity to enjoy the Big Reveal. It was a wonderful success. Our Harbor Lights Choir did a fabulous job singing in Haven Hall providing a nice touch of entertainment. Many guests had their Caricature's done by Justin. Samples were given out of the new Judge sandwich. Our Chef's presentation of the rainbow made with fruit was a hit. Ruby Red Slipper Cookies were delicious. Dignitaries stopped by to preview the new renovations. Our staff dressed up as characters from the Wizard of Oz and posed for many cameras. Over 500 guest, residents, and friends enjoyed the festivities. Bill Borum whose wife was here for a long time took pictures. The pictures are posted on our Facebook page if you didn't get the opportunity to stop by you can still view the pictures. The concert brought to you courtesy of Chaplain Laura brought everyone to their feet as they clapped to Three Men and a Tenor.

Our Next events include Sunday Brunch featuring Chef Dustin's famous Omelets. Enjoy a full brunch for \$10 and watch Chef prepare your specialty omelet and sit down in the restaurant after filling your plate from the plentiful buffet. Sunday Brunch is sure to be a hit. Stop by with your friends and family.

It is the time of year when we get ready for our annual Holiday Bazaar. The resident association will be selling items to benefit the association. Two days of shopping featuring hand crafted items, apparel, jewelry, and baked goods. One year we had a deer crash through the window and the news stations had fun with making jokes about the deer who crashed the Holiday Shopping Bazaar. Hope to see you there.

David Miller Executive Director is working on next year's budget as we speak. He has to balance the capital projects we need to do with cost of care, expenses to run the campus, and employment cost. As much as he would like to get everything done at once he has to budget projects over time so he can keep rate increases at a minimum. Some of the items on the capital list are sidewalk repairs. When a residents ask for major repairs or an issue to be fixed they think it be a problem we have our maintenance team do an evaluation and they report to David so he can make educated decisions on prioritizing repairs. Another big project he is working on is infrastructure electrical issues. We had one major repair this year that came up as an emergency. This initiated having contractors out to get estimates on repairs that may be needed for the future. Your input is import, such as requesting the newly installed speed bumps. Please note that some request will be evaluated and heard but not acted upon immediately. Depending on the nature of the repair and priority it may be done at a later date. Please know decisions are given a great deal of thought and consideration.

Plans are moving forward on building a new mid-rise building, health care center, and new apartments-rental only cottages. The floor plans will be revealed to residents first as soon as we get the final plans. Thank you to those who participated in focus groups to have your voice heard on what you would like to see us build next.

We are offering Village Athletic style zip up coats for Sale at the Front desk with our Village Logo on the jacket. Orders are being taken through Nov. 16th.

Thanksgiving is approaching quickly and we have so much to be grateful for here at The Village and most of all we are grateful for all of you.

Have a Blessed Thanksgiving,
Carolyn

November is the month to remember our veterans and also to be thankful for our blessings. Of course, we should do this every day, and one of the things for which we should be thankful is our veterans! We have a number of veterans in our Village of East Harbor family, and we are grateful for your service and honor you this month and every month for keeping this great country free. Many of our residents are also proud parents and grandparents of service members, so let's keep them in our prayers as well. If you are not aware, qualified veterans and their spouses or widows may be entitled to additional benefits if they reside in assisted living.

The Sales and Marketing staff also want to thank our residents for sending referrals our way! We always encourage residents to tell friends and family about the wonderful campus we have, with the many choices and opportunities for senior living, and like to reward them with a referral check when their contact moves in. However, there have been several times recently that we were unable to do that because we learned after the tour, after the move, that this person is a friend or family member of a current resident. In order to receive your \$250 referral check, you MUST make sure the person you are referring tells Nancy or Peggy at their initial contact that they were referred here by you. We will make note of it (in fact, we always ask what brought them to The Village of East Harbor) and only then can we pay the referral fee – not mention later that they are a friend. There is a supply of convenient wallet size cards in the Sales & Leasing office that you may take to give to potential new residents with a place to insert your name.

Can we make it any easier? Let us take it from there, and you will receive your bonus when they move in!

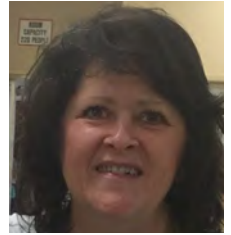

Blessings to everyone, and let's all be thankful to live and work in The Village of East Harbor – it just keeps getting better and better!

NOVEMBER

A TIME OF GRATITUDE AND PRAISE

PSALM 7:17- "I will give thanks to the LORD because of his righteousness; I will sing the praises of the name of the LORD Most High"

The meaning of Thanksgiving has undergone many changes. Expressions of gratitude for survival, recognition of flourishing community, the defeat over the British, resulting in our nation's traditions and values. Over the centuries, families added their customs to the Thanksgiving celebration, preserving that which they held most precious.

To gather in unity – People come together in celebration of a common purpose for reconciliation of differences as well as a time of healing. In sharing our victories as well as our struggles, we find strength and hope.

To teach the young – In stories retold, each generation brings purpose and significance to the richness of their heritage including memories and prayers of Thanksgiving.

To prepare the heart- In gratitude, we reflect upon all the gifts (family, friends, health) in our lives. By "giving-thanks" we choose to extend ourselves and give to less fortunate. Out of the abundance of our hearts, we are able to offer our resources to help others.

Meaning of Thanksgiving - Praise to God

In the Bible, the meaning of thanksgiving reflected adoration, sacrifice, praise, or an offering. Thanksgiving is an expression of gratefulness to God as an act of worship. "These things I remember as I pour out my soul; how I used to go with the multitude, leading the procession to the house of God, with shouts of joy and thanksgiving among the festive throng" ([Psalm 42:4](#)). Long before the colonists celebrated their successes, Nehemiah assembled two great choirs to give thanks for God's faithfulness in rebuilding the wall. ". . . The Levites were sought out from where they lived and were brought to Jerusalem to celebrate joyfully with songs of thanksgiving and with the music" ([Nehemiah 12:27](#)).

The true meaning of Thanksgiving focuses upon relationship. Thanksgiving is a relationship between God and man. Upon their arrival at New Plymouth, the Pilgrims composed The Mayflower Compact, honoring God. Thanksgiving begins with acknowledging God as faithful, earnestly giving Him thanks, in advance, for His abundant blessings. In everything, by prayer and petition, with thanksgiving, present your requests to God" ([Philippians 4:6](#)). Thanksgiving is an attitude of the heart that reinforces an intimate relationship with God.
