FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

Many years ago a resident planted a seed that has become a beautiful reality. The resident mentioned to me, “ it is a shame the Village doesn’t have a Nativity Display. We are a Faith based organization and we should have one. “ Her words stayed with me all these years. As luck or Faith would have it, our new chaplain had surplus money left in her budget. I shared the idea of using the money for a Nativity and Crèche. She loved the idea. We started looking on line and pricing out Nativity Figures and Crèche. Laura picked out a beautiful set complete with camels and an Angel. She then decided she and her husband could build the stable

themselves. Who knew our Chaplain was also a crafty builder? I marvel to recall from that seed planted many years ago a beautiful nativity display has now bloomed. Please join us for the dedication and blessing as we celebrate the beginning of this Holiday Season.

Our fitness center and dining rooms are now completed. Stop by and see how lovely they turned out. They were worth the wait. Renovations will begin Dec. 11th on the main dining area, front lobby, and new Cameron Café. You may have noticed the cement was poured which is going to be part of the outdoor seating. Wonderful things are happening at The Village.

Don’t forget Candle Light Dinner is, Dec. 3rd. The Coach purse and gift baskets will be raffled off, and final bids will be taken on the hand painted dressers customized by our own resident, Walter Krawczyk. All proceeds benefit the Resident Association. Due to popular demand Three Men and a Tenor Show sold out quickly so we added a second show, Dec. 10th at 3 pm. Dinner & show tickets are now available and show only tickets. Don’t wait long to pick up your tickets before the show is sold out.

Sometimes suggestions or ideas may not come to fruition as quickly as we would all like but don’t think we don’t file your ideas away in our hearts and do our best to eventually make them come true.

Have a Blessed and Wonderful Holiday Season. We are truly blessed to have you in our lives, making memories, sharing ideas, and living life.

Merry Christmas!!!

Carolyn

Ask the Administrator:

Why are the new mailboxes set back further from the curb than the previous mail boxes?

I posed the question to David Miller and was told that residents requested room in front of the mail boxes for wheel chairs/ scooters to better navigate in front of the mail boxes so they would not have to go in the street.

If you have a questions that you were wondering about, ask me in person, email me, tell the front desk, or give me a call.

MARKETING

Would you like some extra Christmas money, or some after-Christmas money? What a beautiful time of year to show off The Village of East Harbor to your friends and family when they visit! Remember, you get a nice referral check if they decide to make The Village their home as long as you or they notify Nancy or Peggy that you referred them prior to their visit with Sales and Leasing! So many new improvements, remodeling, and updating are going on this promises to be a very exciting time to live at The Village of East Harbor. Make sure to come and see our brand new nativity scene being set up just outside the chapel. Come and take a moment to reflect on the true meaning of the Christmas season.

The Sales, Marketing and Admissions Department would like to wish each and every resident a very Merry Christmas, many blessings of health and love of family and friends during this most holy season and throughout the new year.

DON'T LET SANTA HAVE ALL THE FUN of giving to others during this Christmas season. There's only a short time left to give to the Residents' Association Christmas Fund to show the East Harbor hourly employees how much we appreciate them. Your gift may be placed in any envelope marked "RA Christmas Fund" and left at the desk in the main lobby. **Spread the joy of the season!**

JUST A REMINDER...Committee Meetings are open to ALL Residents!

Building & Grounds

Meets the 1st Tuesday of every month at 2:30pm in Dining Room.

Communication Committee

Meets the 1st Wednesday of every month at 3:00pm in the Activity Room.

Culinary Committee

Meets the 1st Wednesday of every month at 1:30pm in the Dining Room.

Have you noticed our new arrival? Our newest addition to our Community is the nativity scene near the front entrance, in honor of the birth of our Lord Jesus, just in time for Christmas.

Since the birth of Jesus is traditionally celebrated on December 25, Jesus will not arrive in His manger until His birth date. On Thursday, December 7 at 1:30, we will have a dedication ceremony outside at the nativity and will conclude with Christmas carols in the lobby.

THREE MEN AND A TENOR has added a show on Sunday, December 10.

Tickets for the show are \$5 each; Show and Dinner tickets are only \$15 each.

Three Men and a Tenor tickets make GREAT Christmas gifts!

For the first three weeks in December, I invite all residents to participate in the Spirit of Christmas where we will make lap blankets for some of our Residents who are in wheel chairs and in need of lap blankets. We will also be creating "Prayer Jars". Please see a sample jar on the bureau outside the Chapel. If you would like to make a Christmas card for someone, please join us in creating a hand-made card to bless someone for the holidays.

Business Meeting

Minutes from the last meeting were approved.

Treasurers' Report Darlene Wallace

Residents Assn. Account 11/3/17	4229.49
Petty Cash	135.81
Sugar Bowl	224.24

A preliminary report from the Holiday Bazaar showed:

Sale of knitting, bake goods and resale items	583.68
Purse Raffle (so far)	290.00

Darlene thanked those who contributed to the bazaar and to Betsy for organizing it.

Bob Healy gave an explanation of how holiday cash gifts for unsalaried employees are determined. Letters have gone out to all residents and families. Money needs to be received by December 4 to enable the committee to have gifts ready to be included in 1st December paycheck

Building and grounds committee, Neil Veneri

Neil reported that 5 new mailboxes have been installed and light poles painted. Concern was again brought up about safety because of cement raised in the cracks on sidewalks. Signage in the main building is being addressed in the renovation project. A resident commented he would like to see the appearance of the storage building improved. It does not give a good "first look" as you enter the village.

Bob Morrill presented *Neil* and *Pete* with large photographs of them next to the new mailboxes, as a recognition of all the work that went into getting them.

Communication committee, Jean Campbell

Jean shared information about assistive devices for the hearing impaired such as alarm clock, smoke alarms, adapted telephones, and other adaptive devices. Catalogues of these are available in the building.

Copies of "Peace of Mind", a guide to medical and legal decisions, were distributed and will be available at the desk. It's recommended you complete these and put them in your red folder.

Welcoming Committee, Dorothy Dennis welcomed new residents, Frank & Charlotte Gitre, Bill and Marilyn Igel, Herbert Walny and Colette Yager

She explained a new program operated by the residents called "Stay Connected". People want to know if their neighbors are in the hospital, ill or might need help. Because of privacy laws that information cannot be shared by the staff, so this is a way to stay connected. You are asked to fill out the folder which is being distributed with the name of a designated family member or other contact person.

This is a voluntary program if you would like to participate. See Dorothy if you have any questions.

Volunteers are needed to sell raffle tickets at the Candlelight Dinner. See Betsy.

At the next meeting a new system for name-tags will be introduced. They will be disposable sticky tags that can be easily worn in the refreshment room following the business meeting.

From the Fitness Center.....

The Wii Bowling Season has come to an end. We may not have made the playoffs, but our Bowling Pirates gave the other villages a run for their money!

Let's keep the fun going and start a new bowling season within our own village! We'll need at least 2 teams of 4 people but the more the merrier!! If you think you may be interested in having a great time and some friendly competition, please sign up in the Activity Room. We'll plan to begin the season in January. That gives everyone plenty of time to learn the game and get plenty of practice! Currently, we have open practice times on Tuesdays at 2:15 pm and Thursdays at 11:00 am. Please come in and give it a try!

THINGS TO LOOK FORWARD TO IN DECEMBER...

Pick up a ***Health and Wellness Passport*** from the Activity Room and get busy! Receive stickers for attending specific health and wellness programs and turn in your passport at the end of the month for a prize!

Indoor Walker's Club—Don't let the cold weather stop you from getting in your daily exercise! Get a map of the building to help determine the number of steps you are taking daily. Walk on your own or as a group and log your steps for a passport sticker.

Dear Santa

*How are you Dear Santa,
and all of your elves?
your house must be a mess
with toy cluttered shelves.*

*I've been good throughout there year
so I'm sending you this list.
I'll write very carefully
hoping nothing I have missed.*

*Divided equally throughout the world
I want a zillion hearts of gold;
And within each heart a burning candle
to keep our love from growing cold.*

*A gift of understanding,
an ounce of strength for the weak;
The will to keep on trying
when everything seems so bleak.*

*Please give to all young lovers
the art of holding hands;
Into the lives of children
a touch of Disneyland.*

*Give each tenor
a song to be sung;
And to each smoker
an extra lung.*

*Bring happiness to
those who are sad;
Give each orphan a
new mom and dad.*

*Give patience to those
quickly annoyed;
Give needed jobs
to the unemployed.*

*Bring talks to the Far East
with peace everywhere.
And to this balding head
a sock full of hair.*

*Well I'll see you later.
Take care now - - you hear?
Keep dry - stay healthy - and
don't forget next year!*

Merry Christmas

Michigan Christmas

Let's see - dial - T-H-E/Y-U-L-E.
Hello - hello, Santa - remember me?
It's me Santa - Mankind - calling toll free.
Could you bring these gifts for under the tree?

Give us the ambition to move forward,
Never reckless - always a steady pace.
Let us give our children a tomorrow...
Give the world no losers in the arms race.

Eliminate hunger throughout the world.
Give Mother Waddles a bottomless pot.
Give the Governor a balanced budget;
Let the Spartans smell roses where it's hot.

Bring out the tourists to ski down our hills;
Entice the fishermen to fish our streams.
Give equal education to each child;
With knowledge allow them to live out their dreams.

Give Detroit the will to keep on going;
Let them overcome poverty and strife.
Let silent factories open their doors;
Clatter of machines - smokes takes belching life.

You have already given us so much.
We have lakes almost over every ridge.
We go to the extremes in contrast from
the Mackinaw to Croswell's Swinging Bridge.

You have given us Fort Michilmackinac...
A silent sentinel of hate and fear.
You gave us the Thanksgiving Day Parade
with Santa Claus and eight tiny reindeer.

Your first gift was the most important one;
Thank you Santa for where it all began.
Beneath the green boughs of a Hartwick Pine -
You've given your greatest gift - - MICHIGAN!
