The Village of East Harbor

A SENIOR LIVING COMMUNITY

Managed by Presbyterian Villages of Michigan

Look for PVM on:

FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

Team work makes the dream work. Two heads are smarter than one. Great lines that resonate with me when I think about what it takes to keep our Village up and running smoothly. Our team of Managers, care staff, dining staff, maintenance staff, all work as a team. We meet regularly and discuss issues, problems, and share ideas. You are a part of the team as well. Resident Committees share their input and work on making things happen. It might be the grounds committee asking for new mailboxes, brainstorming about landscaping or the communication committee working on new resident handbooks. It might be someone attending the resident association meeting and asking a question. Residents volunteering to serve on the Resident Board or Village Board sharing their experience and skills. All of these are opportunities to help make our Village better and opportunities for input. If you would like to participate and make a difference, please join one of the committees. If there is a committee you would like to start; stop in and see Betsy. Fresh ideas always welcome!

Don't forget we can provide services to you right in your apartment. If you live in Capman or one of the outside apartments services are available. Maybe you need help managing your medications, or help with showering, maybe you would like meals delivered? Phone contacts are on every newsletter. We are here to help you. In addition, if you are planning on outpatient surgery, if we have rooms available you can arrange to spend the night and have staff check on you and oversee your recovery. Many surgeries that insurance covered overnight stays in hospitals are no longer paying for the hospital stay. Not everyone feels comfortable going home after having a procedure done. We are here to provide peace of mind and give you the care you need. Keep in mind it is best to pre-plan if you need transitional care after outpatient surgery. Contact Sue McCallum 586-716-7395 for more information.

ON Feb. 20th the Anchor Bay Chamber is hosting a Business Breakfast at The Village of East Harbor. You can register online at www.anchorbaychamber.com. Advance registration is \$20 or \$25 the day of the event. Learn about what is Trending in Macomb County presenting by Vicky Rad, Macomb County Department of Planning and Economic Development.

I hope you will join us in celebrating the ribbon cutting and Grand Opening of Marguerite's Restaurant. It is sure to be a wonderful evening enjoying small plate samples and Vegas Style entertainment. Wear your favorite hat to celebrate Marguerite Nolan's legacy. Reservations taken at the front desk. Seating is open and on a first come basis.

Our new Restaurant will be open Friday, Saturday evenings and Sunday Brunch. Watch for hours and the menu to be posted soon. Specialty desserts, mouth water entrees, and drinks will be offered. Reservations suggested but walk ins will be welcomed. The Cameron Café is open 6 days a week. New merchandise has been arriving so be sure to check out gift items, holiday items, and more.

Stay Warm,

Carolyn

MARKETING

Everyone has their own reason for choosing The Village of East Harbor as their home: socialization opportunities, freedom from maintenance, convenience and independence when you no longer drive, or knowing that you will never need to find another place to live if your care needs increase in the future.

Here is something else to consider – as you probably know, we have the best state of the art rehab right here. Hopefully, you will never need to take advantage of it to regain your strength following a hospital stay, but it is comforting to know you have priority access to it. In addition, I'm sure you are aware that we also have assisted living apartments that are available on not just a month-to-month basis, but also respite for one to fourteen days at a special daily rate. Should you ever be in a position that requires just a little more help than you normally require, these assisted living rooms are available for you, or friends and family members also! This special rate, comparable to the daily rate for a nice hotel, includes all meals, housekeeping, laundry, medication management, assistance with dressing and bathing as well as all other amenities enjoyed by our residents. If you are a planner, and looking at some surgery in the coming year, please consider a temporary assisted living stay for your comfort and safety upon discharge rather than going home alone, whether or not rehab therapy is required.

If you have any questions about his program, please contact Nancy at 586 716-7183.

FEBRUARY

DEDICATED TO LOVE

For decades, "Valentines Day" has been celebrated as a time of love, through greeting cards, sweets, hearts, and flowers.

At the time of Roman Catholic Priest St Valentine, the emperor of that time, was Claudius, (a persecutor of the Church) who banned marriage of young people due to war, stating that a wife and children would be a distraction to the focus on war, banning marriage.

The church believed marriage to be sacred between two people, for life, and was to be encouraged.

St Valentine secretly began marrying couples in the church, eventually caught, persecuted, beaten and imprisoned for performing marriages.

As did Jesus Christ, He eventually lost his life for his cause... **LOVE.**

"Valentine has come to be known as the patron saint of lovers. Before you enter into a Christian marriage you want some sense of God in your life—some great need of God in your life. And we know, particularly in the modern world, many people are meeting God through his Son, Jesus Christ.", stated Father O'Gara of Dublin, Ireland, adding, "What Valentine means to me as a priest, is that there comes a time where you have to lay your life upon the line for what you believe. And with the power of the Holy Spirit we can do that—even to the point of death."

TRUE LOVE.... laying down your life for another.

February's **Breakfast With Our Chaplain** will be at **The Pantry** on **Monday, February 18**. Please meet in the lobby by 8:45, we will leave promptly at 9.

If you need to be picked up, I will arrive between 8:45 and 9:00.

Please sign up in the sign up book in the Activity Room if you'd like to attend. All updates, Chapel events and information including notices of funeral/ memorial services are posted on the Chapel board.

In His Service,

Chaplain Laura Stone
