FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

I was pleased to hear from a resident family member praising staff and making some great suggestions. Her praise included our Driver Ann Marie. Her Dad was so pleased with Ann Marie's attention to service going above and beyond a typical driver that he contacted our local Voice News. The Voice did a nice on-line article about Ann Marie titled: **Kindness drives job of Village of East Harbor Chauffer.** Look it up online or come in and get a copy at the front desk to read.

A suggestion received indicated we should do more for acclimating and welcoming new residents. We have tried different programs over the years. At the same time, residents were making suggestions from the communication committee that they wanted to revise our welcoming committee. These suggestions and conversations lead to the formation of a new welcoming committee. If you are interested, please sign up for the committee. All input and ideas welcomed. The committee will revisit our welcoming program and design a new format for us to implement. Our wellness staff will be the staff liaison and I will be assisting as needed. First Meeting, April 5th at 11:30 in the activity room Call Betsy for more info @ 586-716-7183.

We have a number of great new events set up for April Friends and Family Month. April 6th enjoy team **Quizzo** Detroit Trivia at Marguerite's Restaurant and again on April 13th. The Foundation is the sponsor for **Quizzo** Trivia Night. We will be celebrating our Foundation, Friends, and Family Campaign that raises money for our campus all month. The funds contributed/pledged during the month of April will go towards the Health and Wellness Center unless indicated otherwise. We have \$50,000 left to complete the fundraising for the health and wellness center; down from \$2.1 million. If you wish to please \$200 dollars or more you will receive a, **I helped build the Health and Wellness Center T-shirt.** This year you will be able to have your pledge added to your rent. If you wish to split up your payments for a year fill out a form and drop it off at the front desk or you may fill out a form online. For Example: Pledge \$240; \$20 a month would be deducted for 12 months if you wished to make payments vs. lump sum. We will have a hypnotherapy pool piece of equipment delivered for staff and residents to review. If we like it, we can purchase a hypnotherapy pool for the Health and Wellness Center. It looks like a dunk tank and you can exercise in it and use it like a treadmill and more. We will let you know when it gets here. I am interested to see how it works.

We do not horse around when it comes to our Village. The famous Clydesdale Horse Renee (neigh-neigh) is coming back to visit us April 16th at 1:30 pm. Our last visit was the talk of the country on the Today Show, Tampa News, Boston, Scotland and more. It was an incredible experience to pet and meet this majestic horse in our buildings. Make sure you stop in when she comes to visit and enjoy Pet Therapy on Steroids!!!! Who knows you may see a unicorn too!

The grounds crew have stated cleaning up the campus in preparation for the good weather. Some projects are weather sensitive and will be begin later in the spring. You may have noticed the outdoor furniture is out and all we need is some warm temperatures to enjoy the fresh air.

Hope to see you soon, or drop by and say hi.

Carolyn

APRIL

NEW BEGININGS

The third day after his crucifixion on Good Friday, we celebrate our Lord's resurrection on Easter Sunday.

Good Friday is the day Christians commemorate the suffering and crucifixion of our Lord by the Roman empire in Jerusalem where the entire public witnessed him on the cross. After the crucifixion, "one of the soldiers pierced Jesus' side with a spear, bringing a sudden flow of blood and water" (John 19:34), confirming his death.

He was buried in a tomb and as was customary, the women of the Bible went to anoint Jesus' body where they were greeted by angels who told them he was not there; "He has risen as he said he would". (Matthew 28:6). After being buried in a tomb, on the third day, Jesus rose and appeared to his disciples and many witnesses.

His resurrection proves he was exactly Who he said He was, proves his authority and the importance of his teachings. According to scripture, the crucifixion and resurrection guarantees all believers and followers that the penalty for our sins has been paid in full. The resurrection guarantees Jesus' return and our justification.

Our hope is in Christ and the sacrifice He made for us. No one TOOK His life, Jesus GAVE his life as a ransom for us. There is new hope for a new life in Christ and that He will return for his children.

For this reason, we rejoice! He laid down his life, yet- HE HAS RISEN! For many, this day marks new beginnings and fresh starts.

Jesus' crucifixion and resurrection is the anchor of every hope we have and ultimately the anchor of hope for all mankind (Hebrews 6:17-20).

HALLELUJAH, HE IS RISEN!
